Sir,

Subject Changing the Designation of the Toll Head Amin into Toll Inspector and revising the pay from Rs 25/- to Rs 30-2-40 and to convert the post of the Toll Clerk on Rs 25/- into Rs 25-1-40

--

Adverting to Government Order No L 1943-4/M1 11-45-38 dated 12-9-1945 directing that the toll establishment consisting of one toll Head Amin on Rs 25/- plus 5 C A, one clerk on Rs 25/- and 24 peons on Rs 10/- p m each, be placed on a permanent basis, I have the honour to state that in view of the fact that the income from tolls is above 65,000/- for the last three years, it was considered necessary that there should be an executive officer of the status of an Inspector at least of the II grade on the octroi establishment to look after the work efficiently Since a hand in grade Rs 40-2-50 was considered rather too high for the present, it was proposed to have the salary of the hand fixed in the grade at 30-2-40 as in the case of the invoice Inspector to admit of transfers etc

Further as the clerk of the toll establishment required good knowledge of English and candidates who have passed S S L C are required therefor, it was considered desirable to have a hand in the grade 25-1-40, the usual grade of clerks, instead of fixed Rs 25/- to facilitate recruitment and transfers

The Re-organisation Committee who considered these proposals at the instance of the Managing Committee duly approved of the above and recommended the same for approval

The Council duly sanctioned the proposal at their adjourned meeting held on 10-7-1946

In enclosing the copies of the resolutions thereof, I request you kindly to obtain sanction of Government to the (1) designation of the toll Head Amin being changed into Toll Inspector with a grade pay of Rs 30-2-40 plus 5 C A in place of the grade of Rs 25-X- plus 5 C A and (2) the grade pay of the Toll Establishment clerk being raised to Rs 25-1-40 from fixed Rs 25/- to keep in uniformity with the clerical grades etc The extra cost on this account is Rs 250/- per annum, as shown in the proposition statement, which is enclosed in triplicate, for reference

Sir,

Subject -Changing the designation of the Toll Head Amin into Toll Inspector and revising the pay from Rs 25/- to 30-2-40 and to convert the post of the Toll clerk on Rs 25/- to 25-1-40

With reference to your letter No L2871/23-8-46 on the above subject, I have the honour to furnish replies to the points as noted below -

1	How is it proposed to deal with the present incumbents of the posts of the Head Amin and Toll clerk, if the revision of scales is sanctioned?	The present incumbents are proposed to be absorbed in the above vacancies as they have been working in the Toll establishment ever since its inception and are doing very good work The Head Amin is one Sulemankhan, who has put in 16 years of service and the clerk is one Krishna Gowda who is a C R B candidate and has put in 7 years of service
2	The source for meeting the extra expenditure in this behalf during the current year	Vide Provision under A II(1) where a sum of Rs 5000/- has been allotted
3	Whether having regard to the present financial conditions of the Municipality, it would be advisable to sanction the aforesaid proposal now, specially when the Municipal Council has to pay Dearness	The extra expenditure on this account is too small when compared with the provision made therefor and hence does not affect the position Further there is no appreciable increase in the Dearness

allowance at enhanced rates? allowance, as the proposal is for the conversion of the posts into graded one from that of a fixed pay and not a case of creation of new appointment

I request that sanction of Government may kindly be obtained for the revision of the scale of the posts and to the absorption of the present incumbents in the revised grades in view of their good work and seniority

Sir,

With reference to your letter
No TCJ-C-44-17 dated 10-10-46
in regard to the revision of the page of the 2nd part of the
Municipality I am directed to state that the
Municipality has to pay
for Lawful regard to the low
